## PRESIDENT'S REPORT

Welcome everyone to 2017. I hope you had a very pleasant Christmas, and I wish you all a happy and safe year in 2017. This is the time of the year when the weather in Australia can pose a real challenge, from bush fires to floods to cyclones. Having said that, we could do with a few more good deluges here to get the Ross River dam up to a respectable level.

On a sad note, I wish to notify U3A members of the death of Lois Williams, a member of U3A Townsville for fourteen years since 2002. Lois was actively involved with U3A over the years, having filled the roles of Newsletter Editor, Secretary, Book Club Tutor, committee member, newsletter wrapper, as well as organising the catering at various U3A functions and last but not least has been a great support for husband Alan when he was president of U3A and in his role as Townsville U3A representative to the Queensland U3A network group. She will be sadly missed.

In this newsletter, you will find a notice about our upcoming Annual General Meeting. At this meeting, the President and Treasurer will present their Annual Reports. All office bearers step down from their positions. The Committee would welcome new members, particularly to help out in key roles when some of the Committee members take holidays, are needed to look after grandchildren, etc. I would like to take this opportunity to remind all members that the positions of President, Vice President, Treasurer, and Secretary are limited by our Constitution to a maximum of three years.

Recently U3A Townsville has been successful in obtaining grants from the Gambling Community Benefit Fund. The money from these grants has been used to upgrade furniture in the U3A office and to buy safety and IT equipment.

Regards  
Graham Collins

### Note to Members - Special Resolution for the AGM

Section 7.9 of the Constitution of U3A Townsville sets out the conditions to apply in the event that the Association is dissolved. Several other U3As in Queensland have dissolution clauses that are more precise than ours, and all with exactly the same wording. For example U3A Redlands, Rockhampton, Sunshine Coast, and Brisbane. To bring our Section 7.9 into line with these it has been moved by Graham Collins and seconded by Jenny Sebba:

That Section 7.9 of the Constitution of U3A Townsville Inc. be amended:

#### **FROM:**

##### **7.9 DISSOLUTION**

7.9.1 The Association may be dissolved in accordance with Section 89 of the Associations Incorporation Act, 1981 (Qld.).

7.9.2 Upon dissolution, all surplus property of the Association shall be distributed in accordance with Section 92 of the Associations Incorporation Act, 1981 (Qld.).

#### **TO:**

##### **7.9 DISSOLUTION**

**7.9.1 This rule applies if the association—**

- (1) is wound-up under part 10 of the Act; and**
- (2) has surplus assets.**

**7.9.2 The surplus assets must not be distributed among the members of the association.**

**7.9.3 The surplus assets must be given to another entity—**

- (1) having objects similar to the association's objects; and**
- (2) the rules of which prohibit the distribution of the entity's income and assets to its members.**

**7.9.4 In this rule— surplus assets see section 92(3) of the Act.**

## THURSDAY ART GROUP

The Thursday Art Group, which has been meeting at the Salvation Army Centre for many years, has a change of venue. As from Thursday, 2 February, 2017 we will meet at the CWA Hall at 36 Latchford Street, Pimlico (behind the Centenary pub) from 9am till 12. The weekly fee, which includes morning tea, will now be \$5.

With this larger venue, we now have room for a few more members who enjoy painting in watercolour, acrylic or odourless oils. Please be aware that we do not have a tutor, but there is always plenty of help/encouragement from other members.

Please ring Jan on 47213636 if you are interested.

## U3A SINGERS

**Magnetic Island U3A Singers** meet on Wednesday evenings at 7pm at the RSL Hall, Arcadia. They presently have 15 members and consider themselves a Singalong group. They do not have a tutor as such but Barbara White coordinates the administrative side while the well-known Jazz singer, Marilyn Sheather leads the group. They sing a *capella* style and have a lot of fun in the group. If you are on the Island and would like to join in, please call Barbara White on 47581808.

**MISSING** - the name of our new member who mentioned that she would be interested in doing a writing course this year. Please could you contact Syd on 47290275 or the office on Monday morning? We need your expertise!

## FIRST FRIDAY AT THE GALLERY

This group meets at the Perc Tucker Gallery in Flinders Street on the first Friday of each month. It has been in existence since the year 2000!

The next visit is planned for **Friday, 3 February 2017**. If you'd like to join in for an enjoyable after, including afternoon tea (\$5), please call **Anne Matthews** on 0488 257 180. Please leave Anne a message with your number if the phone isn't answered.

## CANASTA

We meet 9am for 9.30am at the Australian German Club, Cnr Anne and Patrick Streets. Beginners welcome. Cost of \$4 includes morning tea. We are a friendly group and do have fun.

A second class has been suggested for another day for those wishing to play cards more often. Arrangements to be made with the office to use proposed new premises for this extra class. Please call **Bev Ponder** if interested on 0413 389 534.

(P.S. A grateful thanks to the Canasta class members who have stood in for me while I have been unwell. Love you all, Bev.)

## BEADING CLASS

Once cooler weather comes about May, this class can be reinstated. Call Bev, if interested, on 0413 389 534.

## VALE DR DON KINSEY

As a young lad, Don spent most of the war years in Townsville, much of the time on Magnetic Island, where he developed a love of coral reefs that was to become such an important aspect of his adult life.

Later he went to Sydney where he became a research biochemist with Mauri Brothers and Thomson, a major player in the Australian food industries. He met Barbara in the same laboratory environment.

While Don was involved with industry, he developed and patented electrode systems for the measurement of oxygen in liquids and gases. On visits to Townsville he used this equipment, together with Barbara, to monitor coral reefs and investigate other uses for the new technology. Publications from this new scientific interest achieved considerable international attention. After 21 years in industry, Don decided to become involved full-time in marine science. So, at the age of 41, the whole family moved to Hawaii where Don acquired a Ph.D. in Oceanography.

He was appointed as Director of the University of Georgia Marine Institute in 1978 and started a full-time career as an oceanographer. Over the next few years he worked in marine environmental research on the east coast of the US in Georgia, the Caribbean, and some Pacific islands as well as in Australia.

The family returned to Australia where Don was appointed as assistant Director of the Australian Institute of Marine Science, and Executive Director of the Great Barrier Reef Marine Park. Don was made a Member of the Order of Australia for his contributions to marine science and the Conservation and Management of the Marine Environment

In 1992, in semi-retirement, Don and Barbara became commercial macadamia and pecan growers in the Lismore area. In 1994 Don “discovered” U3A and established the Northern Rivers U3A as well spending three-year terms as NSW President. After setting up home on Magnetic Island, Don set about establishing a vigorous U3A group to which he was a regular contributor. Many of you will have fond memories of Don’s science classes over the years both on Magnetic Island and in Townsville.

## U3A SOCIAL GROUP

We continue to meet on Saturdays at 10am at various venues to enjoy a cuppa and make plans for outings. This year has some reasonably priced Musicals, Drama, Opera and Ballet at \$40 Concession. They're mostly about mid-year at Civic and Riverway. We also attend the free concerts and festivals, depending on interest.

So, if you are at a loose end, come and join up with us. Cost is 50c towards morning tea. . Call **Bev** on 0413 389 534. (Again, thanks to the group who have kept it going while I have been unwell.) 😊

## FRIDAY TALKS

This year, U3A Townsville continues to provide interesting and informative talks on a variety of subjects, and by a variety of presenters, at the Aitkenvale Library Conference Room. These talks are held on **Friday afternoons** and the first this year, described below, is scheduled for 24 February at 2pm. Speakers are **Ernst Spuler** and **Tim Klingner**. It is expected it will be finish about 4pm.

### ECONOMICS AND FINANCIAL HEALTH IN 2017

2017 could be quite a challenging year with several uncertainties. Ernst will introduce some simple economic concepts and Tim will follow up with some general financial tips for best posturing ones finances in 2017. Tim and Ernst encourage active audience participation and are happy to accept questions before, during and after the presentation.

The presentation will start at 2pm with afternoon Tea supplied free of charge, providing an informal opportunity to speak with Tim or Ernst. People are welcome to stay or leave during the afternoon Tea.

The aim is for an informative and easy to follow session.

We also plan a talk in the near future from **The Heart Foundation**. It will offer the Community Speakers' Program, *Speaking from the Heart*, in 2017.

*Speaking from the Heart* is a FREE health education program, endowing individuals with the knowledge, motivation and practical skills required to achieve positive lifestyle change and better health and well-being. It is coordinated in-house and delivered by trained speakers who present heart health talks to community groups and workplaces throughout Queensland.

*This is the clock that we use in retirement. It needs no batteries or electricity, it is never fast or slow and it never stops. May you all enjoy a happy and prosperous 2017.*

## SOCIAL ACTIVITIES

U3a was fortunate enough to once again use the wonderful venue of Community Training Australia for our Christmas function. We all enjoyed a lovely lunch and the interaction and chat which always goes with a pleasant meal. The CEO and founder of CTA Townsville, Toni Mehigan, who is the daughter of Committee member Alan Williams and his late wife, Lois, spoke of the importance of lifelong learning, which she likened to 'a gym for the mind'. Toni gave an interesting and informative talk which then led to our entertainment for the day. We enjoyed the skills of Ian McDougall, Magician, as well as the moves of the dance group, Nomadika Tribal Dancers. The dancers encouraged participation and the braver among us got up and joined in with relish. If you haven't been to one of U3A's social events as yet, the next is in June. Watch this Newsletter for details. (See photos from the day below).
